1 Open the Form

Scan the QR code or visit the link below to open the application form.

2 Schedule Installation

A staff member will reach out to you to schedule a thermostat consultation and installation between March 1 and March 30, 2026.

3 Clean Work Area

Ensure the work area surrounding the thermostat and access points are clear for the installer to complete the installation.

4 Monitor Energy Use

With permission, our team will partner with JEA to access your energy bill to measure the impact of energy-efficient thermostats.
